Dear Marcella and Martin,

I would like to thank you very much for a great time in the cooperation with you!

The time we rented your house between the 2004 to the end of 2007 was really perfect for me and my family. What we appreciated the most was the great care that you have given us during this time, the simple communication and the fast service no matter how small it may have been. I really envy the next person to cooperate together with you and I hope we will be as lucky in our next country finding a landlord like yourself.

Once again thank you and I hope we will meet sometime in the future again.

Kind regards,

Magnus Holm Alsterlind
