To whom it may concern,

My family and I have lived in a rented house at K Vizerce 301, in Nebusice Prague for a period of almost four years now. During most of this time Mr. Zabranský has been responsible for handling all practical issues of the house including also maintenance and service.

During this time we have been very satisfied with the level of assistance and help. In the need of any repairs we have always received a very quick and reliable assistance. We have valued the cooperation much and consider Mr. Zabranský to be a trustworthy partner.

Based on the good experiences we have had, it is a pleasure for me to recommend the services of Mr. Zabranský.
